RICHHILL TEAM TO ALMUNECAR SUMMER 2022

REPORT FROM A TEAM MEMBER

This summer I was a part of the Richhill team to Almuñécar. We as a team had such a blessed time with Manuel and the church family in Spain. Each day, both morning and evening we packed up the cars and headed to the beach, where we played lots of football. For those who didn't want to play football we had a marquee set up for making bracelets, which went down a treat

One of our big encouragements was Manuel and Alba. In particular I really enjoyed the car journeys with Manuel. On these journeys we had the opportunity to ask questions about life and ministry in Almuñécar. Manuel would share lots of stories about the highs and lows that they have experienced over their time in the region. We had similar conversations with Alba around the dinner table. These were really sweet times conversing that we all as a team are very thankful for.

(Erin's church 'partners with the church Manuel Franco pastors in Almuñécar, Spain. This means that the Richhill Presbyterian Church is taking a special interest in this work and is trying to support the Spanish church in various ways, by praying, giving, visiting, etc. in a very meaningful, warm relationship. If you would like to explore a partnership with one of our missionaries and their church, please contact us at hq@europeanmission.org).

Monthly Video Focus

Our focus this month is on the work which EMF does in training people for mission work, through its Training Fund. Since 2018, and the work of EMF's School of Biblical Studies came to a completion, we've been using the Training Fund to help future gospel workers get the training that they need. We've developed a special relationship with London Seminary, which we believe is one of the best training schools today. And in the last four years we've helped students from five different countries get the training they needed, and we're seeing fruit coming from this in terms of new missionaries joining EMF.

Please pray for the EMF Training Fund...

Visit our Vimeo channel vimeo.com/channels/emf to see this and other EMF videos. Please do make use of this in your church meetings.

- Pray that the Lord will lead us to the right students.
- Pray that the students will get the best training for their future ministries.
- And pray that, as a result of that training, more faithful gospel workers will be sent out into the harvest-field of Europe.
